Secondary transfer introduction

Choosing a secondary school is a big decision for you and your child.

Last year, some applicants were not offered one of their preferred schools, so it is extremely important to research your school options before submitting an application.

Information about how places will be allocated can be found on Brent's [website](#)

At any point in the process you can contact the Admissions Team for advice

Common Myths

I will receive an offer at my nearest school.

Children in my road go to the school so my child will too.

I have a better chance of an offer at the schools I place highest on the common application form.

If I list only one school I will get a place there

I have overwhelming medical or social reasons for my choice of school and will therefore get a place.

I can only apply for Brent schools

Before you make your application

|---|---|
| Are your preferences realistic ? Consider how likely it is that your child will be offered a place at your preferred schools. | Read the admissions criteria for each school and look to see which criteria apply to your child. The admissions criteria for Brent schools are listed brochure |
| Do you live close enough to get a place? Find out your home to school distance. Compare with cut-off distances from last year. | Find the distance to your preferred schools using the Direct Gov schools finder (www.gov.uk/schoolperformance-tables) |
| Visit schools | Open event details for Brent schools are available in the booklet |
| Read Ofsted reports | You can view reports at www.ofsted.gov.uk Brent has many 'Good' and 'Outstanding' schools. |
| How will your child travel to school? | A long journey to school on public transport may not be the best choice for a child. |
| Talk to your child and other parents | Remember that the right school for your friend's child may not be the right school for your child. Don't judge a school based on what others say – visit the school and see for yourself. |

Overview of the Process

- If your child was born between 1 September 2013 to 31 August 2014 they should be applying for a school place for September 2025. The application *must* be submitted by **31 October 2024**.
- You can name up to **6** schools and can apply for schools that are in other boroughs.
- All preferences are treated *equally*. This means that wherever you place a particular school it will be treated the same way as any other applicant for that school. The details regarding where you ranked the preference are *not* shared with the school.
- Your preferences should reflect the schools you most wish your child to receive a place at.

How school places were offered

School places are offered based on each [school's admissions criteria](#). The criteria can include catchment area, whether a child has brothers or sisters already at the school or the distance between school and home.

When it is not possible to offer any of the schools listed on the application a place is normally offered at the nearest school to the family's home that has vacancies remaining after everyone who applied on-time has been offered.
