

Dear parents and carers

The season of Advent begins on Sunday 30 November, when we watch and wait with expectation for the arrival of Jesus Christ. The LDBS has shared an online Advent Calendar for 2025 *Joy to the World*. The calendar explores how Christians globally retell this universal story in words and images. From the 1st December, click here to enter the [Advent Calendar 2025 Primary](#).

### **What has been happening this week?**

This week, children in **Year 1** were treated to a pantomime! We watched a performance of *Beauty and the Beast* and loved all the songs and characters. We have also been practising our fine motor and cutting skills by making decorations for the Christmas disco. Keep your eyes peeled for them next week!

This morning, we enjoyed a fantastic assembly from **5 Birch**. They shared their learning across a range of subjects, and we travelled through their learning in a big yellow submarine. Their finale song was *Stargazing* by Miles Smith. Well done to Miss Brommage and 5 Birch.

### **Head Girl and Head Boy Report**

Monday's assembly was about Maria Montessori. She changed the way that children are taught, and there are now many schools around the world that use her methods. In RE we are learning about Christmas and the different points of view from Matthew, Luke and John. We are really excited for the Christmas disco next week as we know the DJ is always so good. In singing assembly with Mr Tang, we are practising Christmas carols ready for the end-of-term church service.

Have a lovely weekend.

Jess and Vishan

### **Sports at Princess Frederica**

On Wednesday afternoon the boys' school football team represented the school against Roe Green Primary in the Brent Cup 2<sup>nd</sup> Round.

The boys got off to a good and steady start, showing excellent hard work and pressing on their opponents. This led to them winning their tackles and causing the opposition to panic in their defence and quickly going 2-0 in front. Half time came and the boys found themselves with a comfortable 4-0

advantage. They started the second half with the same intensity and knowing the game still wasn't won yet, upped their levels, battling across the pitch and ended the match as 5-0 winners. Overall it's very pleasing to see the boys are learning that playing football is about using your head and your heart to win and not just about their ball playing ability. A brilliantly well deserved win that takes us into the quarter finals of the cup. Fantastic performance all round. Well played to the boys.

Mr Chantler.
