After School Clubs – Autumn Term 2026

Arts and Crafts Club (Reception, Years 1-2) Run by Dance & Arts. Let your creativity shine! Our Arts & Crafts Club invites children to paint, cut, glue and create exciting projects each week. Fun, hands-on, and full of imagination!

Chess Club (Years 3-6) This is a junior chess programme run by Willesden and Brent Chess Club, an English Chess Federation accredited club, and is open to all levels of ability, from beginner to expert. A chess coach will be present for those just starting out – so don't be shy, come on by!

Coding Clubs (Years 2-6) Code Ninjas offers the opportunity to learn real coding languages such as Python and Coffee Script through their own custom program which is suitable for all ages and levels of experience.

Drama Club (Rec & Years 1-2) Again run by Dance & Arts, both Drama Clubs will focus on encouraging creativity, improving communication skills and confidence through fun and engaging drama activities, such as role-playing, improvisation, and simple performance projects.

Fashion Rebellion Sewing Club (Years 4-6) Created by Amanda Riley, a designer, teacher, environmentalist and founder of The Fashion Factory, 'Fashion Rebellion' the eco fashion school, is an online programme with the easiest of step-by-step video tutorials so that anyone aged 8 years and above can learn to use a sewing machine. Once they are confident with using a machine the children will design and make their own items using old fabrics, including a pencil case, tote bag and a hair scrunchie.

Fencing Clubs (Years 2-4) Run by Andrew Grass, a senior fencing coach and NASM personal trainer from the United States where he trained fencing students from the level of beginner to national finalists. The lessons will go over the basics such as how to hold the blade, rules of the game, simple strategies, referee basics and more.

Football Clubs (Years 1-3) and (Years 4-6) Children warm up with exercises, practise skills and play competitive games. *Children must wear PE kits and trainers.*

Gymnastics Clubs (Rec & Year 1) and (Years 2-4) These clubs will be run by Dance & Arts: Our experienced coaches will guide the children through floor-based routines, helping them build strength, flexibility, coordination, balance, core stability and grace. Take the leap and let your kids soar with us at the Gymnastics Club! *Children must wear PE kits and trainers.*

Lego Club (Rec-Year 2) Using activity ideas from the EYE organisation (Educating Young Engineers) children will be given basic engineering challenges to complete each week.

Multisports Club (Reception, Years 1-2) Run by Mr Djabate, our Kenzalia Club leader, this club will offer age appropriate sports activities in a friendly, fun and safe environment. *Children must wear PE kits and trainers.*

Netball Club (Years 3-6) This club is run by Active Day Camps and focuses on developing key skills for matchplay. Children will focus on dynamic drills, agility development and ball handling before playing a match at the end of each session.

Pottery Club (Years 1 & 2) Run by Moving Waves, the children will be taught different air clay forming techniques to produce ornaments, tiles and figures, which will then be painted. The projects will be based on current topics within the school curriculum.

STEM Clubs (Years 1-3) and (Years 4-6) Run by Aveaa Academy the children will work on different STEM projects each week, for further information see their website: <https://www.aveea.org/aveea-academy/>
