Schools

Welcome to Year 5

Teachers: Miss Reddington (5 Birch) and Miss Carmody (5 Ash)
HLTA: Miss Yousef

John 10:10

**“I have come that they may
have life, and have it to the full”**

This is why we exist...

We are...

“I have come that they may
have **life**, and have it to the **full**”

BELONG - Everyone included, everyone welcome.

LEARN - Love to learn, gain knowledge.

GROW - Grow spiritually, in confidence and courage.

Life
In
Fullness
Ethos

Our theme for this term is:

Kindness

This term during achievement assembly, alongside our Learning Leader of the Week, we will be celebrating children who show this characteristic.

Termly overviews are updated online at the beginning of every term. These will detail what we will be learning in each subject. Most of the information can also be found on our website.

Assessment

Reports will be sent out twice a year and parent consultations will be twice in the year.

Maths: Decimal Fractions

Writing: Iron Man (Narrative)

Reading: Night Terrors in Cairo, Skychasers

Science: Changing Materials and Forces

History: Early Islamic Civilisation

Art: Iron Man

RE: Prayer and pilgrimage

Home Learning:

Reading: Children should read at home every day (20 minutes reading with an adult and at least 10 minutes independently). Children will take home one banded book and one library book, changed weekly. Remember to create an opportunity to hear your child read (expression and fluency), check they understand the meaning of new words and phrases and discuss key ideas in the book.

Spellings: Sent out every Monday and taught in lessons throughout the week. We expect children to use the spelling strategies taught to practise 10 minutes a day at home. Spelling is assessed through children's extended writing.

Maths mental recall: KIRFS (Key instant recall facts): These change every half term. We expect children to practise for 10 minutes daily.

Timetable:

	Birch	Ash
PE	Monday and Wednesday	Monday and Friday
Library	Thursday	Wednesday
Spanish	Wednesday	Wednesday
Music	Wednesday	Wednesday

PE Uniform: Children should wear their PE kit to school on PE days. The PE uniform is a T shirt with embroidered crest in their house colour, black shorts or grey jogging bottoms and black plimsolls or trainers.

Important dates for your diary:

Baroque music workshop: Wednesday 14th October

5 Birch class assembly: 23rd October

5 Ash class assembly: 20th November

Medicines

Medicines at school must be handed in to the office. Children must not carry medicines on them.

Ensure that Epi Pens and Pumps are up to date.

Attendance

We are proud of our high attendance as a school as we know how important it is for children's learning.

Children should be in school by 8:50am (the gates open at 8:40am). Children who come in earlier start learning straight away.

The register is taken at 8:55am and learning starts promptly. Anyone arriving after 9am will be marked late.

Breakfast club runs from 7:45am each day

Medical appointments in school time - please keep this to a minimum

Parents must ensure contact details are up to date

Uniform

- o Black shoes or trainers. Ensure children know how to do their own laces.
- o Remember to name uniform
- o Wear PE kit on Tuesdays and Fridays
- o No jewellery except tiny stud earrings and religious jewellery
- o Hair should be tied back if long enough. Hair accessories should be in school colours (yellow, blue, white and black). Hijabs should be blue, white or black.

Children must have a raincoat as they will go outside during break times when it is raining. If children want to play on the embankment, they need wellies during muddy times.

E-Safety

- o Cyber bullying / computer games – Make sure you have parental controls on youtube, messaging others online, be aware about screen time use.
- o Use of phones – no phones in school – children are more vulnerable if they carrying a phone to or home from school – please phone the school office if you need to know if your child has arrived or left school.
- O Watches - no smart watches at school, including fitbits. No gadgets that can take pictures, videos or recordings.
- o Electronics before bedtime – research shows that the bluelight and stimulation from electronics has a negative impact on sleep patterns and behaviour.
- o Photo consent for school - please complete the new permission form that gives you more information on the dangers of AI.
